Vorbericht.

So richtig man das Versprechen mit baldiger Lieferung dieses dritten Theiles erfüllet; so viel Fleiß und Genauigkeit hat man auch auf die Ausarbeitung desselben verwendet. Es sind nicht nur neue Quellen entdecket, sondern auch genützet und das Verzeichniß rarer Bücher in den hier begriffenen sechs Buchstaben so vollständig gemacht worden, als es inzwischen möglich war und die Absicht mit dem versprochenen Supplementen-Bande litte, oder zu erfordern schien. Die auch versprochene Nachricht und Sammlung von Schriften, welche einzelne seltne Bücher, oder einzelne Verfasser mehrerer rarer Bücher, beschreiben, hat bisher noch nicht ausgearbeitet und ins reine gebracht werden können, soll aber ohnfehl-

bar noch nachfolgen. Einstweilen hat man eine Nachlese zu den allgemeinern Quellen der Kenntniß rarer Bücher anfügen und hiemit die in der Vorrede zum I. Theile befindliche Collectionem Scriptorum de libris rarioribus so vermehren wollen, daß man wol behaubten kan, sie möchte hiedurch ihrer Vollständigkeit sehr nahe kommen.

Auf künftige Ostermesse des 1772sten Jahres wird der vierte Theil G. G. gewiß erscheinen. Nur ist es nicht wahrscheinlich, daß er den Ueberrest des Alphabets fassen werde, indem der ungeheure Buchstabe S. fast allein einen Theil zu fordern scheinet. Es ist genug, daß wir zur Erweiterung der Bücherkenntniß und Befriedigung der Liebhaber alles anwenden wollen, was in unsern Kräften stehet.
